THE RULES OF TENNIS ARE CHANGING

From 2012, the rules of tennis will change so that no 10-and-under competition can be played using a traditional **'yellow'** ball. Instead a slower **'red'**, **'orange'**, or **'green'** ball must be used with the appropriate sized court.

For more information on this rule visit **tennis10s.com** or contact **james.newman@itftennis.com**
